1. Apologies for absence

Paul Rushforth, Cllr Margaret Pickford, John Kenney

2. Minutes

The Minutes of the previous meeting held on 11th January 2010 were amended on paragraph 3 from matters arising (tree survey was replaced with safety audit with Rob Morris) and then approved and accepted.

3. Matters arising

It was discussed if loose gravel is needed and if to ask for a contribution from the quarry. It was agreed that Cllr McDermott would survey how much is needed and may apply to the B & Q community fund via the local store manager. Clerk to draft letter and email to Cath Thomson for approval.

Cllr McDermott reported that logs have been seen back in the pond.

4. Finance

The clerk handed out the finance report, with £716.88 in the account (as at 31/3/10)

Cath Thomson reported that Breathing Places had signed off on the funding accounts.

Derek Brewis confirmed that £265 had been donated by "Friends" since December.

The financial commitments stands at £50 for chipping (£100 shared with PFA) and fencing for £317.25.

It was agreed that the clerk would continue to manage the financial records. The committee is to try and recruit a person to manage "Friends". Cllr McDermott volunteered to design posters for the entrances, encouraging users to become a "Friend".

5. Fund Raising

Cath Thomson reported that John Kenney has looked at funding from 3M and East Midlands Airport.

It was then discussed what projects we are trying to raise funds for. It was suggested the following projects be considered.

- a) Fencing on the Northern side of the Plantation.
- b) Improvement to the ponds.
- c) Safety of the woods.
- d) Bio-diversity
- e) Marginal planting in ponds – native only and non invasive.

Cllr McDermott offered to install the fencing posts but it was thought that they would be too heavy to transport. It was agreed that Cath Thomson would obtain quotes for the supply and installation of the fencing.

It was reported that Joan Shaw had asked the Archeology department to investigate if the ponds were medieval. The conclusion was that the short one may be, but the others were probably part of the pleasure garden for Burton Hall.

The possibility of deepening the ponds was discussed, but it was agreed that for safety reasons this would not be pursued.

6. Bat Walk – 7th May

Cath Thomson has had confirmation from Jenny Harris. It was agreed that refreshments will be served in the Pavilion.

The evening will start at 7.30pm with captive bats in the Pavilion, followed by a talk at 8pm, and a sonic bat walk at 9pm. Event will be limited to 25 people. If bats are present and the event is oversubscribed, the event may be repeated.
